Woodmen Admit Class of Nine.

At the regular meeting of Crystal Lake Camp, M. W. A. Friday evening, nine candidates were admitted to membership. Notwithstanding the storm and bad condition of the roads about 30 members of the Orleans camp were present with their forestry team and officers, taking charge of the ceremony of adoption.

Much credit is due Consul Dunham, Advisor Doyle, Escort Mitchell, and Chief Forester Tripp for the efficient manner in which they performed their parts in the impressive Woodman initiatory service. After refreshments and the smokes were enjoyed Deputy Benjamin H. Alden addressed the meeting, telling of the good work done in woodcraft, and the prospects in sight for the greatest fraternal beneficiary society. A pleasant time was enjoyed by all, especially by those who participated in the target practice.

Crystal Lake Camp is very grateful for the true M. W. A. spirit manifest by the neighbors at Orleans in braving the storm to assist the camp in Barton.

Col. Keville Writing Story of 101st Ammunition Train.

Col. W. J. The train is made up principally of the Green Mountain boys, many Orleans county men being in this unit.

"It is a striking fact," says Col. Keville, "that while the train lost only 11 men by death from Aug. 27, 1917, to December 3, 1918, which included nine months of active service at the front, in the succeeding 17 days the total loss was 16 men, due to the influenza epidemic."
